

APPEAL AGAINST SELECTION DECISION

This appeal procedure can only come into play if a candidate feels that the consortium SEAS 4.0 has not handled his/her own application in line with the scholarship application and selection process as described on the SEAS 4.0 website. In other words, the appeal cannot concern the decision itself but only an alleged error made in the process that has resulted in the contested decision.

For submitting the appeal, the candidate must send this form by e-mail to the Coordinator, not later than 7 days after receiving the selection notification.
